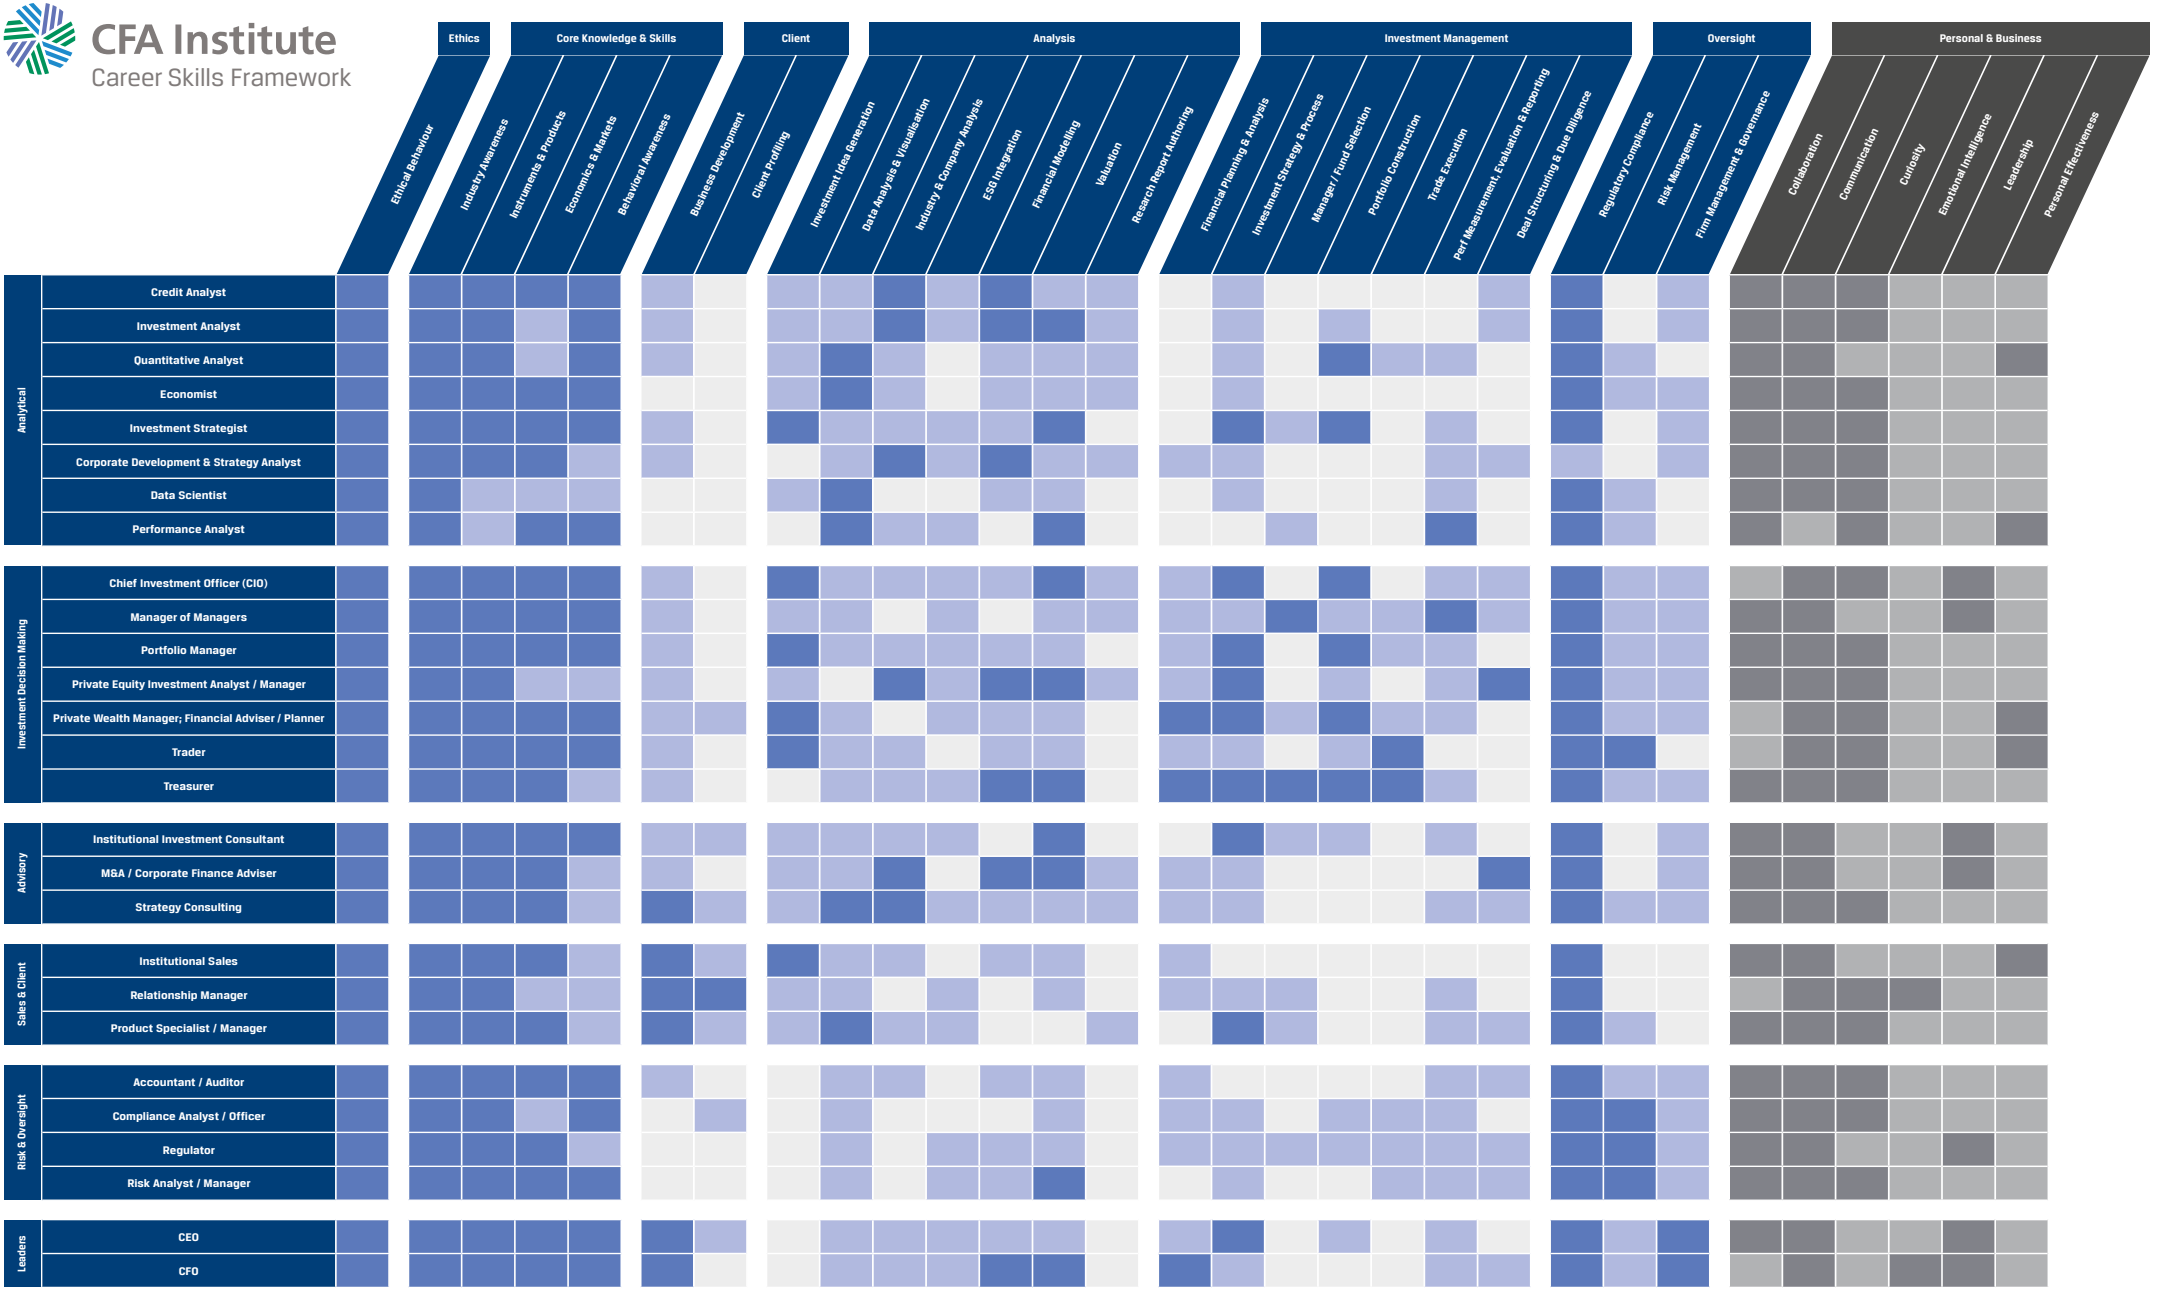
CFA Institute
Career Skills Framework



Assessments of whether these are activities practitioners do, may do, or are unlikely to do, are based on feedback from a survey of the Practice Analysis Working body (n=730) and serve as a guide.

Key

- Will **typically do** and require when working in the specified job role
- **May** do and require when working in the specified job role
- Is **unlikely** to do and require when working in the specified job role
- Represent the top 3 ranked Personal & Business Skills
- Represent the bottom 3 ranked Personal & Business Skills
